

Crone Awakening Wisdom

TOGETHER

We Rise

SEPTEMBER 10-13, 2026

The magic of these sacred lands begins here in the mountains of Highlands, NC; rising us up to new wisdom. Come tell and create your stories, meet in sacred circles and honor our elders and ourselves. Give and attend workshops, drum, dance, sing and relax while being embraced in nature's best. Your sisters are here to build community by connecting, celebrating and ascending into an expanded life journey.
